Fashion Design Global Talent Visa Application Following Endorsement

Once you have your British Fashion Council endorsement, you will have a period of three months from the date of the endorsement letter to make your application to enter or remain in the UK in the Fashion Design Global Talent visa category.

An application to switch into the Fashion Design Global Talent visa route may be made from within the UK provided you do not currently have, or were not last granted, permission to stay as a Visitor, Short-term Student, Parent of a Child Student, Seasonal Worker, Domestic worker in a private household or outside the Immigration Rules.

If you hold, or were last granted, leave in any of the above categories then you will be required to leave the UK and submit your application for a Fashion Design Global Talent visa from your home country. <https://www.google.co.uk/search?q=richmond+chambers+in>

Anyone who does not have leave in the UK, will need to ensure that they are abroad when they make their Global Talent visa application. However, the application can be made from anywhere in the world, so you do not necessarily have to travel to your home country to make the application.

In addition to showing that you have been endorsed, the Home Office will assess your character and immigration history to ensure that you do not fall for refusal under the general grounds for refusal.

There is no maintenance or English language requirement in the Fashion Design Global Talent visa category.

Your Fashion Design Global Talent visa will be valid for the period that you request (in full year periods) up to five years. The amount of time that you request makes no difference to the application but will affect the amount that you need to pay for the Immigration Health Surcharge.

Global Talent Fashion Design Visa Prestigious Prizes Route

If you have won a qualifying prestigious award, you will be able to fast-track the endorsement application and instead proceed directly to making a single visa application.

The list of prestigious prizes is set out in Appendix Global Talent: Prestigious Prizes (<https://www.gov.uk/guidance/immigration-rules/immigration-rules-appendix-global-talent-prestigious-prizes>). This list is kept under review and updated from time-to-time.
