SPONSOR LICENCE RENEWALS

LATEST NEWS: Full UK ETA Enforcement Announced for February 2026 (<https://immigrationbarrister.co.uk/full-uk-eta-enforcen>

SPONSOR LICENCE RENEWALS

The requirement to renew a Sponsor Licence every four years was abolished on 6 April 2024.

Prior to 6 April 2024, Sponsor Licences were only valid for four years. If licence holders wished to keep their licence beyond four years, they had to make a paid renewal application.

From 6 April 2024, Sponsor Licence holders are no longer required to make a renewal application every four years or pay a renewal fee. Instead, the expiry date of all sponsor licences has been automatically extended by the Home Office to expire in 10 years' time.

This change applies to all sponsor licences that are due to expire on or after 6 April 2024, and not only to new licences obtained after this date. The extension of the expiry date is automatic and Sponsors do not need to take any action.

Sponsors should, however, be aware that the Home Office is continuing to conduct compliance audits on an announced and unannounced basis. If UKVI compliance officers have any concerns about your actions as a sponsor then they may downgrade or revoke your licence. Sponsors should therefore continue to ensure that their record keeping and HR systems are up to date to ensure that they are complying with the **sponsor licence duties** (<https://immigrationbarrister.co.uk/sponsor-licence-duties-a-checklist-for-employers/>), in case of an audit.
